IN THE FIRST WEEK OF HIS/HERS STAY, THE VOLUNTEER WILL BE ENTIRELY ENGAGED IN LEARNING HOW TO WORK WITH INTELLECTUALLY DISABLED PEOPLE AND VISITING ALL CENTERS BELONGING TO OSTOJA ASSOCIATION. THERE WILL BE AN OFFICIAL COORDINATOR IN OUR ASSOCIATION RESPONSIBLE FOR TAKING CARE OF VOLUNTEERS THROUGHOUT THE ENTIRE TERM OF THE PROJECT. THE CHOICE OF PERFORMED ACTIVITIES WILL BE LEFT TO THE VOLUNTEER'S INTERESTS. DURING THE PROJECT VOLUNTEERS WILL:

- Help therapists during regular activities in centers belonging to the association (differentiated According to each center);

BENEFITS FOR VOLUNTEERS PARTAKING IN THE PROJECT

At our organization we are working with trained specialist, who will help the volunteers and share with them their knowledge and experience. We want to give our volunteers a comfortable place to work and a lot of satisfaction coming from people's smiles, closeness and friendship. While working with disabled persons, a young volunteer can feel really needed, can feel sense of dedicating part of her/his energy for people who really need help. During the summer time, volunteers can go with us to SLOT Art Festival where we participate every year and also join summer camps we organize in different parts of Poland (for ex. in the mountains and at lakes). This will be an excellent opportunity for volunteers to see and experience Polish holiday resorts.
